# The London Legion Track & Field Key Differentiators

A great program cannot succeed unless it is affordable. The design point for all London Legion T&F programs is affordability. Everyone has a singular focus to make sure that our club is inclusive to as many young people as possible. This is our mission. To deliver the highest quality athlete development program for the most affordable price. These values are part of our DNA. Every individual in our organization works for that mission. We have no hidden costs. Athletes can join at any time .

## Coaching Leadership

Our #1 Priority is coaches. Without coaches, we cannot help our athletes. London Legion T&F is a leader in T&F coaching recruitment, development and support. We have coaching excellence in all areas of T&F athlete development including, sprints, hurdles, jumps, throws, pole vault, distance running, cross country and multi -events.

## Teamwork

A London Legion experience is more than individual performances. You are part of a team. We are proudly Canadian and we work with a great team of Canadian Veterans who help us develop T&F. We support one another, and we work hard together. We excel at team events, especially at Provincial and National Championships & Relays.

## High Quality Athlete Profiles

Every athlete in London Legion has the opportunity to create an athletic profile. This optional service, worth hundreds of dollars, is available to all athletes at no charge. Our club management team creates, edits and places competition videos in a profile for each athlete. Our Youth, Junior & Senior athletes are also profiled on [www.ontarioathletes.com](http://www.ontarioathletes.com). This site helps our athletes with career and educational opportunities. This additional value add, included in all memberships, and is also valued at hundreds of dollars.

## Alliances

No one person or no organization can provide the myriad of services needed to help an athlete become the best they can be. London Legion is proud of our business, coaching and athlete development alliances. We are the leader in this area for Athletics in Canada...
