

Coaching Excellence for High Performance.

LONDON LEGION TRACK & FIELD ALLIANCE

The London Legion T&F Alliance started in 2004 to dramatically grow Track & Field in Southwestern Ontario. In just under 3 years, London Legion has become the #1 Indoor Club in Ontario and the #2 Outdoor Club in Ontario. We continue to lead.

London Legion has a management focus on growing participation in Athletics; growing and certifying new coaches; improving athletic performances through coaching development and coaching content; and providing leadership for responsible and fully open fiscal club management.

Coaching Excellence.

Our #1 Priority is coaches. Without coaches, we cannot help our athletes. London Legion T&F Club is a leader in Middle Distance and Cross Country coaching recruitment, development and support. We have coaching excellence in all age groups, both Elementary & High School.

Technology Leadership.

Every athlete in London Legion has the opportunity to create an athletic profile. This optional service, worth hundreds of dollars, is available to all athletes at no charge. Our club management team creates, edits and places competition videos in a profile for each athlete. Our Youth, Junior & Senior athletes are also profiled on www.ontarioathletes.com. This site helps our athletes with career and educational opportunities. This additional value add, included in all memberships, is also valued at hundreds of dollars.

Teamwork.

A London Legion experience is more than individual performances. You are part of a team. We are proudly Canadian and we work with a great team of Canadian Veterans who help us develop Middle Distance and Cross Country programs. We support one another, and we work hard together as a team.

Alliance Development.

No one person or organization can provide the set of services needed to help an athlete become the best they can be. London Legion is proud of our business, coaching and athlete development alliances. We are the leader in this area for Athletics in Canada...
